DR. SCHEENK'S STANDARD REMEDIES.

the standard remedies for all diseases of the lungs
SCHEENK'S PULMONIC SYRUP, SCHEENK'S S-
S-CONCRETE, and SCHEENK'S MANDRAKE PILLS.
If taken before the lungs are destroyed, a speedy
is effected.

These three medicines DR. J. H. Schenk, of
Philadelphia, give his unrivalled success in the
treatment of pulmonary diseases.

His Pulmonic Syrup opens the morbid matter in
lungs; nature throws it off by an expectora-
tion; far when the phlegm or matter is ripe a slight
it will throw it out, the patient has rest and the
to begin to heal.

When the Pulmonic Syrup has acted, Schenk's
Mandrake Pills and Schenk's Sea Weed Tonic must
readily used to cleanse the stomach and liver.
Schenk's Mandrake Pills act on the liver, removing
obstructions, restore the gall bladder, the bile
is free, and the liver is soon relieved.

Schenk's Sea Weed Tonic is a gentle stimulant
alterative; the alkali of which it is composed,
with the food and several other things. It causes
digestion by toning up the stomach to a healthy
tendency; so that the food and the Pulmonic Syrup
make good blood; then the lungs heal, and the
net will surely get well if care is taken to pre-
vent cold.

Who wish to consult Dr. Schenk, either per-
sonally or by letter, can do so at his principal office,
No. 616 of Sixth and Arch Sts., Philadelphia,
on Monday.

Schenk's medicines are sold by all druggists
throughout the country. mated&7man
